# EURO SNAP UP
## Item no. ET6-1011

### PVC FREE

## Product Information

Introducing our Euro SnapUp.

Our multi-layered PET/PP structure provides the ideal balance of rigidity and flexibility. With stable curl control and exceptional blockout capabilities, your prints will always look their best.

Experience high-quality image reproduction with stunning color expression that will truly make your signage stand out. Our print media is compatible with a range of inks, including eco-solvent, solvent, UV curable, and HP Latex inks. Plus, it's certified for use with HP Latex Inks, ensuring top-notch results every time.

It is also **PVC-free**, making it environmentally friend-ly.
