BANNER UPS® BY BUDNICK
BAN 017

Crystal Clear BravoTabs®

BAN 017 Crystal Clear BravoTabs® are large square "one size fits all" banner hanging tabs. These tabs look great along edges or in corners. They have a cleaner look with no rope loop and work great for banners printed on both sides. BravoTabs® can be used in combination with single coated Clear PowerTape® to reinforce banner edges without folding, or with double sided MegaTape® for folded hems.

BravoTabs® are 1.875" x 3.875" and are available in our convenient Starter Kits for Banner Ups® beginners.

The physical properties listed are typical values and are not to be considered as specifications. Our suggestions for use are based on tests we believe to be reliable. However, the purchaser must carry out their own tests to determine the suitability of the product for their internal use. Information is given in good faith, but without warranty.

It is essential, as with all pressure-sensitive tapes, that the surface to which the tape is applied be clean, dry and free of grease and oil.

Shelf life from date of manufacture is based on the product being stored at 70°F(21°C) / 50% relative humidity out of direct sunlight.

Specification compliance is dynamic and should only be used as a general guide. Always confirm that the tape you are interested in currently complies with all specification requirements. Please verify that the product number that you select is available in the proper size and color to meet your

specification.
