

# EVOLVE

A EUROTECH GROUP BRAND

## MID EASY INSTALL

Item no. EV-M-GEI

### Product Information

Monomeric PVC (White glossy finish, 80  $\mu$ ) combined with a gray-tinted acrylic dispersion adhesive featuring microstructured patterns (permanent), expertly layered onto a dual-sided PE-coated embossed silicone paper liner (144 g/m<sup>2</sup>).

The PVC material ensures remarkable dimensional stability and excellent opacity. The unique embossed microstructured adhesive mitigates the formation of air bubbles, thus reducing application time when affixing to the substrate.

Crafted to exhibit strong resistance against solvent ink challenges during the printing process, while ensuring exceptional printing performance on solvent and eco-solvent based ink-jet printers. Specially designed for use on flat and mildly curved surfaces. Leaves no adhesive residue upon proper removal.

### Shelf Life

2 years when stored in the original packaging between 20°C and 25°C at 50% relative humidity.

### Recommendations for Laminating

Please ensure the print is perfectly dry before laminating.

We suggest to let the material dry for at least 48 hours before after printing.

### Technical Data

Carrier	Monomeric PVC, highly stabilised, calendered
Thickness	80 $\mu$ (+/- 5%)
Adhesive	Grey-coloured micro-structured acrylic dispersion, permanent
Adhesion	12N/25mm
Liner	Two-sided air egress (bubble-free) PE coated silicone paper (144 g/m <sup>2</sup> )
Application temperature	+10 up to +40°C
Temperature durability	-20 up to +50°C
Outdoor durability	3 years (unprinted film)

### Standard Dimensions

1370mm (wide) x 50m (long)  
1520mm (wide) x 50m (long)

### Safety Data Sheet

When used under normal conditions, this product does not generate or release any dangerous substances or hazardous chemicals. This is a non-hazardous product in accordance with the current GefStoffV and EU criteria. Therefore it is not necessary to prepare a Material Safety Data Sheet for this product. The Safety Data Sheet serves only to comply with the regulation to supply information in accordance with REACH Regulation (EC). No. 1907/2006 and is available on request. This product is not hazardous with regards to transportation legislation. Neither does it contain substances that are hazardous to water within the meaning of the federal water act. After use, dispose of the waste product in accordance with local/national authorities.
